Prof. Fabio HAUAGGE DO PRADO, Director U3A foz Iguaçu 'International Conference on U3A in Brazil and presentation of

95e IAUTA's Governing Board

At the 95th IAUTA's Governing Board, Prof. François Vellas was reelected IAUTA's president for a mandate of four years. On this occasion, Prof. François Vellas presented the new objectives of the IAUTA's focusing on developing the global character of IAUTA, especially in Latin America, Pacific Asia, Africa and Eastern Europe. And also to create new teaching tools and initiate new scientific research.

- New pedagogical tools should focus on the training of officials in management of U3A in operation and under development.
- The new research topics will focus on the conditions of aging populations throughout the world, particularly in developing countries and emerging needs of education.
